

## RoHS Declaration

### RoHS Directive 2002/95/EC Declaration:

Status Instruments Ltd does not have a legal requirement for its products to comply with the RoHS Directive 2002/95/EC as they are not within its scope. However, all products supplied after 2010 *are* compliant with the RoHS Directive 2002/95/EC to the best of our knowledge.

### RoHS 2 Directive 2011/65/EU Declaration incorporating RoHS 3 Amendment Directive EU 2015/863:

Status Instruments Ltd hereby declares to the best of our knowledge that products supplied within the scope of the RoHS 2 Directive 2011/65/EU are compliant from 1<sup>st</sup> January 2017 and all products meeting the substance restrictions of RoHS 1 remain compliant to the substance restrictions of RoHS 2.

We declare that to the best of our knowledge any supply of raw material or product either does not contain any of the substances listed below; or, if they do contain the substance, that it is within the allowable limits stated below:

- Cadmium (Cd): 0.01%
- Mercury (Hg): 0.1%
- Lead (Pb): 0.1%
- Hexavalent chromium (Cr6+): 0.1%
- Polybrominated biphenyls (PBB): 0.1 %;
- Polybrominated diphenyl ethers (PBDE): 0.1 %
- Bis(2-Ethylhexyl) phthalate (DEHP): 0.1% (RoHS 3)
- Benzyl butyl phthalate (BBP): 0.1% (RoHS 3)
- Dibutyl phthalate (DBP): 0.1% (RoHS 3)
- Diisobutyl phthalate (DIBP): 0.1% (RoHS 3)

Confirmation of compliance by our suppliers is either because the products do not contain any of the restricted substances referred to in Article 4(1) of the RoHS directive at concentrations in excess of those permitted under the RoHS Directive or because removal of the restricted substances is not technically possible and their existence in the products at levels in excess of these concentrations is allowed as one of the particular applications listed in the Annex to the RoHS Directive. Status Instruments Ltd is committed to exercising due diligence in collecting information from our front-line suppliers regarding the compliance status of the products that they supply to us.

Signed:
